

PRZEKRÓJ POPRZECZNY ROWU

NUMER ROWU	<b>R – D</b>	KILOMETRAŻ	<b>0 + 184</b>
------------	--------------	------------	----------------

  

Skala 1 : 35/70

The diagram illustrates a cross-section of a ditch. The top solid line represents the ground surface, while the bottom solid line represents the ditch bed. Vertical dashed lines indicate specific points along the profile. The left side shows a steep slope, and the right side shows a shallower slope. A horizontal dashed line at the top indicates the level of the ditch bed.

Punkty terenu	Rzędne terenu [m]	Długość [m]	Spadek terenu [%]
P.p. 128.50			
3178	131.42	0.00	-40.28
3179	130.50	2.31	-42.22
3180	129.40	4.91	-60.06
3181	128.88	5.76	-11.81
3182	128.76	6.78	14.09
3183	128.85	7.43	176.15
3184	129.48	7.79	39.04
3185	130.45	10.26	50.41
3186	131.38	12.10
